# THE CREW

INTRODUCING YOUR CREW ABOARD OCELOT, CAPTAIN  
TIM SHIARIS AND CHEF/FIRST ZARA BROWNE

Growing up in the Chesapeake Bay area, Tim has been privileged to spend most of his time on a variety of boats, both motor and sailing. Tim is a fan of traveling and exploring the world around him in search of local adventures. Tim's appetite for adventure and people has brought him to the Virgin Islands. His experience on racing yachts, enhanced his passion for crewing and sailing and encouraged him to pursue advanced certifications to expand his capabilities. In addition to sailing, Tim has other interests including snowboarding and restoring old houses. He is also known for taking home awards from BBQ competitions! He lives by the motto "It's all about the experience" and looks forward to sharing and guiding guests to experience the beauty and adventure of the islands. His calm demeanor, attention to safety, and dedication to his guests' time in the islands will ensure the best experience for everyone aboard.

ZARA

Zara was born in Dublin, Ireland and moved to Long Island at a young age where she found her love of the water. She spent her weekends sailing with her Dad and exploring the North Fork of Long Island. When she wasn't enjoying the outdoors she spent her down time at her family's restaurant in Hoboken, NJ where her love of fresh quality food began.

Her professional background has always been in the restaurant industry and hospitality. She has over 15 years of bartending experience and another 5 years in luxury concierge services working closely with high profile NYC restaurants, planning extravagant events, and running private spas and gyms.

When Zara felt she wanted a change of pace she decided what better way to bring her love of hospitality and the water together than joining the yachting industry. She has been lucky enough to work under multiple yacht chefs where she has been able to add a new layer of knowledge to her personal culinary experience.

Zara has always had a passion for bringing a memorable experience to her guests and looks forward to helping form unforgettable memories aboard Ocelot through food, cocktails, and the ambiance of the islands.

***"Thank you Zara and Tim for the best Camera Family 2023 vacation. You both went above and beyond to make everyone feel welcome and at home. Your meals were delicious and the cocktails tasty. Snorkeling the caves and Indians were beautiful. The Baths were glorious to enjoy! Who can forget our "Foxy's Facts" and late night living there. Your hospitality and little extra touches made for a perfect trip. We can't wait to come back! We can't thank you enough!"***

***Our family has had a fabulous and relaxing sailing vacation in and around The USVI. From the moment we got onboard Tim and Zara were incredibly friendly, thoughtful, professional, and a warm desire to be attentive to our needs as their 1st family charter on Ocelot! We have sailed before on a catamaran in Croatia, so we know what to expect of a week living and dining on a catamaran. Tim and Zara did not disappoint. Dining on the boat was delicious, healthy, varied, and beautifully presented. Zara was easily able to accommodate our family's dietary needs as well. Zara was an incredible host and bartender! Tim definitely knows his way around The USVI and every great beach, snorkeling area and routes to sail. Tim was flexible in giving us options for the day so we were able to pack in a lot during a day-snorkle, paddle, kayak, and hike all in a day. Tim and Zara became part of our family unit as the trip progressed which made it that much more special. We were absolutely blown away with nightly Hanukkah treats for us- really so unique and thoughtful. We would 100% love the opportunity to sail again with Tim and Zara***
