YOUR CREW

INTRODUCING YOUR CREW (& OWNERS) ONBOARD WHISKEY BUSINESS,
CAPT. WADE BALL AND CHEF/FIRST MATE TIPPEE BALL

Captain
WADE

Tippee & Wade are no strangers to the water or to entertaining friends and family. And they are very excited to be on the Caribbean charter scene! There is nothing they are more passionate about than watching friends and family enjoying their Lagoon 450F and making memories.

Their motto is “Dream it. Then do it”. And that’s exactly what they are doing. Both have an entrepreneurial spirit and love the challenge of a new adventure. They both retired early from the corporate world after 30 years and immediately started an online business and began to execute on their dream of owning a catamaran and chartering in the Virgin Islands. Both love to travel, but the Virgin Islands stole their hearts a few years prior when they were married on St John, so this is where they decided to execute their dream!

A funny story they tell is that when they met, Wade was an “all power” toy aficionado. He owned several “power toys” including a power boat. Tippee had developed a passion for sailing in her 20’s while sailing off the beach in Sullivan’s Island, South Carolina. And she preferred the quieter art of sailing versus power. When first asked about sailing, Wade’s response was “I don’t sail, I like power and speed”. That all quickly changed when Tippee planned their first sailing adventure off the coast of South Carolina. He loves to shut off the engines on their lagoon 450F and just listen to the wind. And as they say “the rest is history”.

Chef

TIPPEE

Wade and Tippee have five children in their 20's and 30's. Four daughters and one son. They also have four grandchildren. When they aren't sailing or traveling, spending time with them is their favorite thing to do. They also love to fish and Tippee usually catches the biggest fish! But Wade is ok with that as long as it's something she can cook for him.

Tippee's love of cooking was inspired early in her life by friends and family who shaped her culinary talents. She continues to actively educate herself and learn new flavors and techniques in her culinary art. Her famous pasta with Italian Gravy is a frequently requested item from friends and family.

Wade has always loved the water, owning boats since college. Since falling in love with sailing, he has been actively educating himself on both the art of sailing and has received his captain's license. Wade is an avid DIY'er and has ample opportunity to use his talents on the boat.

Whiskey Business also has a third crew member. He's a four legged crew member who greets guests and enamors them with his piercing blue eyes. "Bo", part husky and part gray hound was rescued by Tippee when he was three months old and is very emotionally intelligent! He's never met a stranger and he might just be your favorite crew member.

Tippee & Wade believe that experiences and adventures are the best gift you can give your family and friends. And they love being part of helping others make memories to last a lifetime. They look forward to helping you and your family or friends make amazing memories on Whiskey Business

"We took our family on a week long trip on Whiskey Business and I cannot say enough great things about it. Wade, Tippee and Bo made it the best vacation ever. Tippee's food was delicious, Wade's Pain Killers were plentiful and Bo was always a willing partner for a hike. From lobster hunting, sea turtles, eels, nurse sharks, starfish and hikes, there was always something to do. So many memories were made on this trip and we can't wait to do it again!"

"This charter is mind-blowing and fabulous. I'm sure there are many options but I can guarantee that the food, hospitality, and attentiveness of Captain Wade and his beautiful wife Tippee is unparalleled!!! We arrived as acquaintances and left as family! It's extraordinarily relaxing, surreal scenery, fun things to do (paddle boards, snorkeling, swimming, hiking.....whatever your heart desires.

The most important nuance of the entire trip was we were all made to feel welcome, accepted, and very cared-for. Tippee is worthy of her chef credentials and Wade can mix you a killer drink (my favorite was the Painkillers!) so get ready to sit back, relax and enjoy what is a TRUE vacation. I certainly hope to visit again soon!!!"

"I had the honor to be a part of a celebration of life for our dear friend who had passed earlier this year. It was gifted by the wonderful owners of Whiskey Business! Tippee and Wade were such amazing hostesses and made our trip perfect! Their catamaran was super clean and beds super comfy! Tippee went out of her way to make my trip comfortable since I have a food allergy, Celiac's disease, and cooked my meals separate and especially for me and from cross contamination. She took time out and double checked with me to reassure what I could eat which was amazing, delicious, fresh and full of flavor! Wade is an amazing mixologist and always created some wonderful tasty island cocktails. He also made sure we were comfortable and safe when we were paddle boarding, snorkeling and swimming. He is the perfect Captain! He explained every bay we visited and is highly knowledgeable on what areas to visit. He took pride in his catamaran and it showed! We also fell in love with their sweet dog Bo. Very well behaved and brought smiles to our faces with his handsome, calm demeanor and gorgeous blue eyes! I can certainly say we have gained special close friendships and can easily call them family. I can't thank them enough for their generosity! You won't be disappointed! Thank you Tippee, Wade, and Bo!"
